# Who We Are

## Growing Leaders

- High school robotics team from a Title I school in Phoenix, Arizona
- We engineer numerous remote controlled, student-designed and fabricated robots
- Compete globally in FIRST Robotics Competitions ([firstinspires.org](http://firstinspires.org))

**Our mission as Team Paradise is to prepare students for roles in designing, engineering, programming and leadership. We aim to embody the values of FIRST by fostering well-rounded life capabilities including self-confidence, communication, and leadership.**

**Our success depends on generous sponsors and donors like you who dedicate so much to our futures.**

# Our Impact

## Community Outreach

- Created an international STEM and FLL course used by 15,000 students
- Helped run and manage robotics tournaments and events
- Impacted over 500 local students through mentoring and coaching
